**Subject:** Microsoft Settlement

To whom it may concern:

I believe that the terms of the settlement against Microsoft Corporation are reasonable and fair to all parties involved, and meet - or go beyond - the ruling by the Court of Appeals, and represent the best opportunity for the industry to move forward.

While I personally do not see any wrongdoing on the part of Microsoft, I am glad to see their willingness to work with the DOJ and the industry to continue to promote fair, competitive business practices.

Sincerely,  
Patrick M. Elliott, Petersburg, VA
